"Camp Faithful is a great place to learn about God. When you meet new people they become your family"

Our Director

Jonathan Going has directed Camp Faithful for six years. He has a heart for children and teenagers. His goal is to show that the answers to life are found in the saving grace of Jesus Christ our Lord. He is the Youth Pastor at Whitefield Advent Christian Church in New Hampshire.

Our Staff

Our staff consists of a Director, female counselors, male counselors, support staff, lifeguard, nurse, Camp Cook and plenty of "behind-the-scenes" workers. All of the staff for both weeks go through state training, with our lifeguard, nurse and cook being state qualified for their jobs. Each of these positions are very important and filled with great thought and prayer.
